## APRIL 2018 – NEWSLETTER

Volume 20, No. 28

---

***Our Mission Statement** – As joyful followers of Jesus Christ, we welcome and care for all people. We boldly proclaim the Good News, share our faith, and love God by serving others.*

***Our Statement of Welcome** – Accepting those who Christ has already accepted, Kure Memorial Lutheran Church affirms that all people, regardless of race, national origin, sexual orientation, or economic status, are unconditionally welcome to our community of faith and are invited to join us in worship, fellowship, and ministry.*

Newsletter article for April 2018

*“In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it.” (John 1:4-5)*

*Sunrise on Easter Morning!*

Wow! The sunrise during the Easter Sunrise Service was just spectacular! It really capped off a wonderful time of worship and an amazing celebration of the resurrection of our Lord Jesus! *(Maybe this will give you all some inspiration to attend next year's Sunrise Service with us if you haven't before!)*

This photo immediately made me think of this verse from John's gospel as I thought about how this glow of the sun just scattered any darkness that existed prior to the sunrise!

This image makes me think of Jesus' presence in our lives and how his presence can help dispel the darkness and gloom of the difficulties, the struggles, the hurts and the sadness we experience in our lives. He is the light that gives us hope in the midst of our hopelessness. He is the light that enables us to see beyond all the stuff that overshadows us. He is the light that breaks into our world to dispel our fears, our worries and our cares.

Jesus is the light that gives us new life when we don't think new life is possible. He is the light that will never go away...because of this promise that “the darkness has not overcome it.”

The resurrection on Easter morning is something we celebrate every year. It brings us joy, comfort and peace. It is the promise of our salvation and eternal life with God. But the resurrection is more than this. The resurrection is also about today. It is about Christ's love for us, his inspiration for us and his life in us. The resurrection is about life! New life today as well as in the world to come. And that new life is something for us to hang on to!

Surfin' on God's Grace!

**Kure Memorial Lutheran Church Nursery:** You may have noticed we have been having more and more children and youth in worship recently! Our Sunday school is growing and younger families have been attending more regularly. However, there are many of our church and preschool families who either leave their littlest children (age 0-2) at home with mom or dad, or they do not attend very regularly, because it can be a challenge for their children to keep from getting too antsy during an entire hour of worship. So...with a lot of hard work by our Nurture Team, we have developed a plan for nursery care for KMLC! We have 2 young women from Kure Memorial who will share the responsibilities of the lead nursery staff, Chandler Von Cannon and Erica Little, both who have had official background checks. Some of our youth, who are interested, will take turns serving as volunteers helping out Chandler and Erica each week. While we as a congregation encourage families to participate in worship together, parents of very young children (0-2 years old) need to be able to worship as well. By providing a time apart, parents will have the opportunity to focus on worship for some of the service. While their children spend some time in the nursery, parents can also learn more about the flow of the service so they can plan how they can make it be meaningful for their family. The nursery will provide young children a loving place to wiggle and meet other small children at times when worship gets a little long for them. Nursery care will begin on **April 8** in the south preschool classroom...on the same side of the courtyard as the cross!

Here is the process we envision: Ideally or eventually children will begin worship with their families. They will come forward for the children’s talk, and then leave with the rest of the children who wish to go to the nursery or Sunday School. The youth volunteer will help bring the children to the nursery (2/3 year old preschool room...south preschool room). All the children will return to the sanctuary for sharing of the peace through to the end of the service. Some families may choose to have their children begin in the nursery. They know their children best, so the nursery will be staffed from 9:45am until the service has ended. Some families as well may feel the need to bring their children back to the nursery after communion. The nursery staff will return to the nursery after they commune to be available for the children then as well. As time goes on and the children grow, they will be able to spend more and more time in worship with the congregation. Around the time they turn 3, the families will determine when their children transition from the nursery care to Sunday School. Sunday school will continue as it has for the 3 year olds through grade 5! We are very encouraged that this will be a very positive experience for our families as well as for our congregation!

We also would welcome irrigation expertise or donation of select gardening supplies or anything else we haven't thought of that would make a difference. ## APPRECIATION

*Thank you for supporting our athletes*

*On behalf of the more than 600 athletes who participate in Special Olympics New Hanover County, we would like to thank you for your generous donation. The support of local citizens and businesses is what helps keep our program active and able to provide athletic training, social events, travel, and more—at no cost to our participants. We truly could not continue to offer these services without the help of our community, including generous contributors like yourself.*

*Thank you for your support. It is definitely needed & appreciated!*

## KMLC Endowment Fund

About fifteen years ago, several members of KMLC had a vision as to how we could help our children finance educational dreams, those needing aid due to natural disasters, or seed money for a worthwhile project. This vision turned into the KMLC Endowment Fund.

In January of this year the congregation was informed that five members of KMLC would receive financial aid from income from the fund.

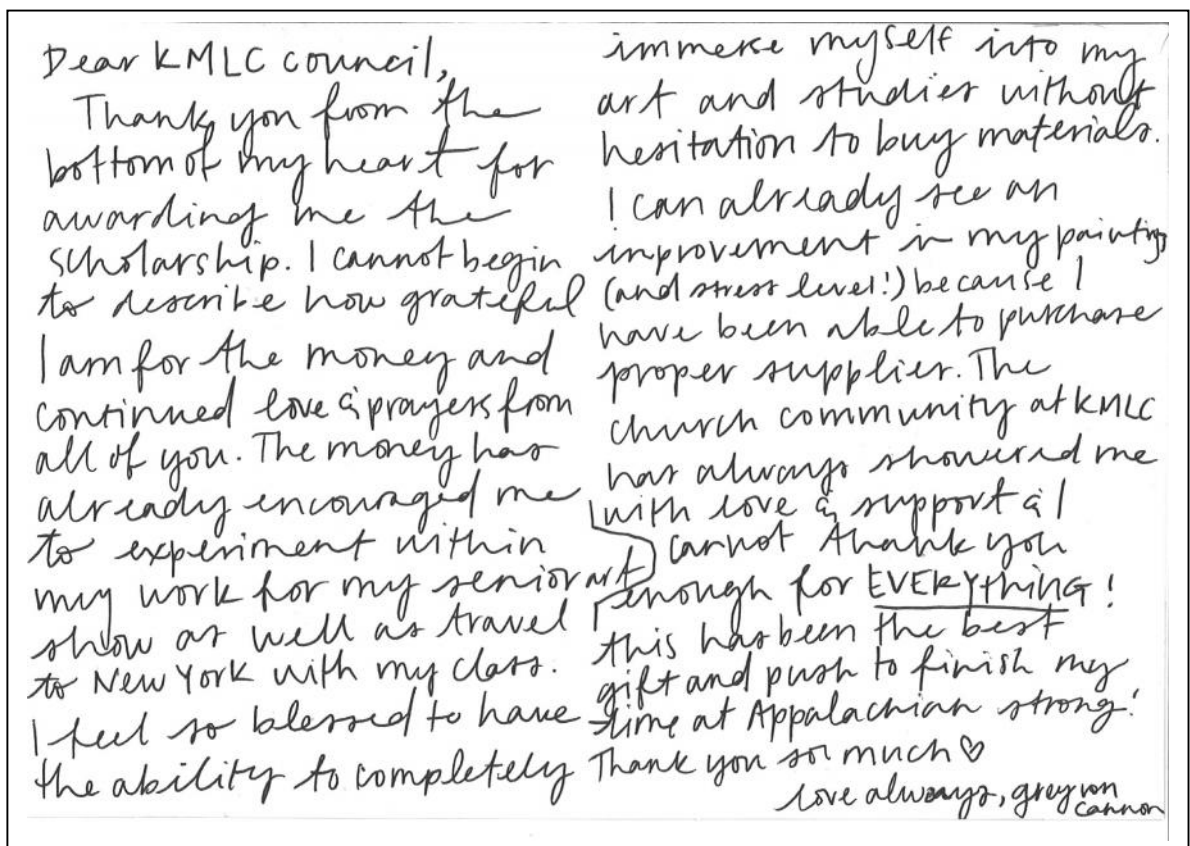

In order to continue and expand the stated purpose of the endowment fund, I am encouraging all members and friends of KMLC to consider financially supporting this "fund".

You may do this through your gifts of money, stocks, bonds, or property. All gifts will be carefully invested, managed and prayerfully distributed.

Please help grow the KMLC endowment fund.

Thank you,  
Todd Vought  
Mina Piedmont  
Isabell Foushee

### *Thank You*

Dear KMLC council,  
Thank you from the bottom of my heart for awarding me the scholarship. I cannot begin to describe how grateful I am for the money and continued love & prayers from all of you. The money has already encouraged me to experiment within my work for my senior art show as well as travel to New York with my class. I feel so blessed to have the ability to completely immerse myself into my art and studies without hesitation to buy materials. I can already see an improvement in my painting (and stress level!) because I have been able to purchase proper supplies. The church community at KMLC has always showered me with love & support & I cannot thank you enough for EVERYTHING! This has been the best gift and push to finish my time at Appalachian strong! Thank you so much!  
Love always, Grayson Cannon

**Help Center needs for April:** Teabags, canned meat, dry pasta, canned fish, mayonnaise and any other canned or packaged food items and toiletries are deeply appreciated. As you bring your gifts of food forward to place them in the baskets on the altar, you are invited to say a special prayer for those who will receive your gift! Sanctuary doors are open daily, 8am to 8pm. If you have some time to give and can assist our friends here, contact Becky Wetzel at 571-230-6289.

**The statistics from the Help Center for March are the following:**

- Households served: 130
- Individuals served: 312

**Discipleship Committee:** Discipleship commission is encouraging you to sign up for fellowship goodies. The sign-up sheet is in the fellowship hall. If you'd prefer, you can donate money rather than bringing cookies, fruit, veggies, etc. and we will buy, set-up, and clean-up for you. Simply indicate on your envelope what the money is for or give it to one of our members. Thanks to all of you who continue to make this time together so enjoyable. It is always a great time of fellowship and conversation. Helping to host fellowship hour is a great way to offer your gifts of hospitality to our faith community! If anyone is interested in becoming involved with the Discipleship Committee contact Committee Chair, Barbara Vought at 910-458-4636 or [ktvought@charter.net](mailto:ktvought@charter.net).

Our next meeting is **Tuesday, April 10 at 2:00** in the library.

**Service Commission:** Committee Chair, Minnie Larson 910-350-2626, [minandhal@bellsouth.net](mailto:minandhal@bellsouth.net)

The next meeting of the commission is scheduled for **Tuesday, April 17<sup>th</sup>, 1:30 p.m.** in the church library. The meeting is open to all.

### Following are some of the ministries we support that are in need of volunteers

**Meals on Wheels** - Tom Wetzel is presently our only regular volunteer for Meals on Wheels. He delivers to folks in Carolina Beach on a weekly basis. The agency is always in need of additional volunteers (meals are provided on a daily basis with the exception of Saturday and Sunday). This program is a lifeline to many infirm and elderly. If you are interested or would just like to learn more about Meals on Wheels, please contact Minnie Larson or one of the service team members for further information.

**First Book** - If you are interested in promoting the gift of reading to youngsters and if you enjoy young children, this is a great opportunity to get involved in a very special program. First and second graders have the opportunity to select two books (to keep as their very own). These books are provided free of charge by donations to this remarkable program. Volunteers help by assisting with the book distribution to the students. This may be the only book that some of these children can claim as their very own. More info needed: you can contact Jean Graff or Minnie Larson to learn more.

**Sunday Lunch** - Volunteers are always needed: specifically, helping with set up and/or break down; shopping for necessary items; making the lunches; distribution; coordination of the lunch. As you can see, there are a variety of ways you can be of help.

Whatever time you may have available is greatly appreciated and will make a difference in someone's life. Think about how you would like to serve and be involved.

**From our Financial Secretary on March Contributions:**

We are happy to report that the Tithes and Offerings received for the month of March matched the budgeted needs to support our Mission Plan. As you may be aware, we count on receiving \$3780 per week. (For March this would be  $\$3780 \times 4 = \$15,120$ .) Our actual contributions were \$15,522.65. Also, this means we completed our first Quarter of 2018 on target for supporting our many ministries. Our special Mid-Week services offerings netted \$1354. The Church Council decided that these funds would be used to support our local Boy and Girl Scouts troops. Once again we thank all of you for your generosity, and for sharing your gifts in support of our common mission.

**KMLC Church Council Notes...At their meeting on Monday, March 22, your church council:**

**It's Tax Season once again.** IRS Certified Tax Preparers are available at both the Carolina Beach and New Hanover County Senior Resource Centers to assist you in filing your 2017 Federal and North Carolina tax returns. Check the bulletin board in the Fellowship Hall for more detailed information on what you need to bring and how to make an appointment. Despite what you may have heard on TV, there are only minor changes involved in filing your 2017 return. The effects from the recent Tax Reform bill will only impact next year's return.
