APRIL 2023 NEWSLETTER

Volume 21, No. 89

***Our Mission Statement** – As joyful followers of Jesus Christ, we welcome and care for all people. We boldly proclaim the Good News, share our faith, and love God by serving others.*

***Our Statement of Welcome** – Accepting those who Christ has already accepted, Kure Memorial Lutheran Church affirms that all people, regardless of race, national origin, sexual orientation, or economic status, are unconditionally welcome to our community of faith and are invited to join us in worship, fellowship, and ministry.*

“The angel said to the women, ‘Do not be afraid, for I know you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay’” (Matthew 28:5-6)

The seasons of Lent and Holy Week are wonderful times of year to be renewed in faith as well as in our understanding of what Jesus did for us by dying on the cross and rising again to give us the hope, promise and gift of eternal life!

Thinking back to 2017...I was so blessed to have the opportunity to visit the Holy Land. And I remember visiting 2 possible locations of the crucifixion and burial of Jesus. And I remember being confused... because in the gospel accounts of Jesus' crucifixion, we read that he was taken to a place known as "Golgotha", which means, "the place of the skull". The reason it was called that was because in that location there was a rock formation that looked like a skull. Well, the interesting thing, is that there were two different locations that have rock formations that look like that!

Near both of those locations were the places thought to be the tomb where Jesus was buried. So, there is very good evidence for these events to have occurred in either location. Both locations were amazing to visit and experience. Both locations are very possibly the actual place of Jesus' burial and resurrection. And quite honestly, I really would like to know which place it was! In these photos, most likely, Jesus was raised from the dead in one of these places, which is really awesome to think about! Just picture in your own mind, the gift of life given back to Jesus after all the suffering he went through for us...and then giving us the hope having new life with him after we are gone from this world! Wow...what an amazing thought!

But then again...I invite all of us to ponder this very important question: Does it really matter? Does it really matter which tomb it was? I'm not so sure it does...because...as the angel told the women at the tomb 2000 years ago, "He is not here, he is risen just as he said."

So in the end, I guess it doesn't really matter anyway, does it! Because our faith doesn't hang on to where the resurrection happened! Our faith hangs on to the fact that Jesus was raised...wherever it may have happened!

My prayers that this coming Holy Week and the joy of the resurrection on Easter morning gives you new hope and new life!

Surfin' on God's Grace!

BACKPACK BONANZA!! One community-connected project that our church has been involved with in recent years is "Bowling for Backpacks." This initiative is sponsored annually by the Good Shepherd Center, an organization that assists our local homeless population. From February 19th and continuing through March 19th, a bin was located in the Narthex to collect backpacks, as well as needed supplies indicated by Good Shepherd to fill them. Over the 1-month collection period, 6 backpacks and a shower of supplies filled the bin. Additionally, \$300 in donations were received from the Congregation that allowed for the purchase of 10 additional backpacks and supplies to stuff them. All of that occurred on the churchfront. On a homefront, one member of our Congregation set up "Operation Backpack," and through an appeal to friends, filled 20 other backpacks! On Thursday, March 23rd, a total of **36 filled backpacks** were delivered to the Good Shepherd Center. **THANK YOU** to everyone for such a hugely generous response to this vital project. A special thank you goes out to Congregation members, Marsha Rhyne and Julie Dawson, as well as Julie's goddaughter, Jordan Stierwalt, a sophomore at Wilmington Early College High School, for their enthusiastic and invaluable assistance with this effort.

Love Overcame — by Julie Palmer

Love overcame
Emerging from a cold tomb
All the truth, majesty and creativity of a living God
Transforming a broken heart
Making a quiet return, in a still and sorrowful garden
The grave stone rolled away, to release redemptive love
Jesus resurrected and restored
Comforts a weeping woman
Speaks with travelers on a journey
Meets with his faithful friends
And they bow down before Christ alive
And acknowledged that the savior has arrived
That the word of God has come alive
And that the extraordinary transformation of heaven and earth is complete.

The Miracle of Morning - poem by Amanda Gorman

I thought I'd awaken to a world in mourning.
Heavy clouds crowding, a society storming.
But there's something different on this golden morning.
Something magical in the sunlight, wide and warming.

I see a dad with a stroller taking a jog.
Across the street, a bright-eyed girl chases her dog.
A grandma on a porch fingers her rosaries.
She grins as her young neighbor brings her groceries.

While we might feel small, separate, and all alone,
Our people have never been more closely tethered.
The question isn't if we will weather this unknown,
But how we will weather this unknown together.

So on this meaningful morn, we mourn and we mend.
Like light, we can't be broken, even when we bend.

As one, we will defeat both despair and disease.
We stand with healthcare heroes and all employees;
With families, libraries, schools, waiters, artists;
Businesses, restaurants, and hospitals hit hardest.

We ignite not in the light, but in lack thereof,
For it is in loss that we truly learn to love.
In this chaos, we will discover clarity.
In suffering, we must find solidarity.

For it's our grief that gives us our gratitude,
Shows us how to find hope, if we ever lose it.
So ensure that this ache wasn't endured in vain:
Do not ignore the pain. Give it purpose. Use it.

Read children's books, dance alone to DJ music.
Know that this distance will make our hearts grow fonder.
From a wave of woes our world will emerge stronger.

We'll observe how the burdens braved by humankind
Are also the moments that make us humans kind;
Let every dawn find us courageous, brought closer;
Heeding the light before the fight is over.
When this ends, we'll smile sweetly, finally seeing
In testing times, we became the best of beings.

FROM THE FINANCIAL SECRETARY

We have come to the end of March and to the end of the first quarter of 2023. During the month of March, we received Tithes and Offerings from 65 families. Our contributions for March were \$ 25,719, which surpassed our monthly goal of \$ 18,618. This "surplus" helped to make up for January and February deficits and we ended the first quarter right on target. Thanks to all of you, we have been able to support and fund our Mission Plan for the first three months of the year.

Our Rice Bowl offering to aid those affected by the earthquakes in Turkey and the surrounding areas brought in \$ 252. You can still contribute to the Lutheran World Relief fund that oversees distribution of needed food and supplies. Place your offering in the basket in the Sanctuary or drop it off in the office. We ask that you clearly label the offering for "LWR-Earthquakes"..

Since we are ending the first quarter, we will be sending out the first Contribution Statement for 2023. This gives you a way to assess your Tithes and Offerings. Remember there are a variety of ways you can get your offerings to the Church: direct mail, Bank Bill Pay, Church website; QR code in the Sunday bulletin; weekly Church offering envelopes.

Once again, thank you for your generosity. Let us together continue to share our time, talents and resources in support of KMLC's Mission Plan!
